Pathways Four-Year Plan 2013-2014

B.S. in Accounting

Department of Accounting and Finance
School of Business and Information Systems

The goal of a Four Year Plan is to ensure that students graduate with no more than 120 credits and in four years.

- *All students should speak with an academic advisor about their academic programs.*
- *Students are encouraged to **take Winter and Summer courses** to facilitate their progress towards graduation.*
- *Transfer students do not need to take all courses in the plan; they should consult with an academic advisor.*
