

# UNIVERSAL WASTE: USED LAMPS

## Used Fluorescent Lamps Disposal Procedure for the B&G Maintenance group

1. Remove used lamps and replace with new ones.  
Used lamps should be placed into an accumulation drum. This drum must be kept closed at all times except when adding used lamps.
2. Before placing the used lamps inside the accumulation drum, label the drum with the sign below.

3. If fluorescent lamps are broken, place the broken lamps into a plastic container. Close the container properly and label it “Hazardous Waste - Fluorescent Lamps”.
4. When drums are full, call the EHS Office at Ext. 2662/2772 for disposal
