

Pathways Four-Year Plan 2015-2016

Gerontological Studies & Services (BS)

Department of Health & Physical Education
School of Health Sciences & Professional Programs
Room HP-203 | (718) 262-2607

The following is a **suggested** plan of study for completion of this degree program. The goal of a Four-Year Plan is to ensure that students graduate with no more than 120 credits and in four years.

- All students should speak with an academic advisor about their academic programs. **This document is not a substitute for academic advisement.**
- Students are encouraged to take Winter and Summer courses to facilitate their progress towards graduation.
- Transfer students do not need to take all courses in the plan; they should consult with an academic advisor.
