

## Pathways Four-Year Plan 2015-2016

### Interdisciplinary Studies Childhood Education (BA)

Department of Teacher Education  
School of Health Sciences & Professional Programs  
Room AC-1D12 | (718) 262-2450

The following is a **suggested** plan of study for completion of this degree program. The goal of a Four-Year Plan is to ensure that students graduate with no more than 120 credits and in four years.

- All students should speak with an academic advisor about their academic programs. **This document is not a substitute for academic advisement.**
- Students are encouraged to take Winter and Summer courses to facilitate their progress towards graduation.
- Transfer students do not need to take all courses in the plan; they should consult with an academic advisor.

- York students are required to complete (pass) three (3) Writing intensive (WI) courses: two (2) in the lower division (100-200 level) and one (1) in the upper division (300-level).
- If you transferred to York College with credit for General Education requirements, you must still complete one (1) WI course in the upper division within your major. If your major has no upper division WI course, you must take a WI course chosen in consultation with your major advisor.
- B.A. students must complete 90 credits of liberal arts – See Bulletin.

^Students are **strongly recommended** to take these Pathways courses, as they provide the academic content needed for Elementary teachers who must prepare lessons linked the Common Core standards in English Language Arts, Mathematics, Science, Social Studies, and Creative Arts, as well as **pass the Content Specialty Test (CST) in multi-subjects**.

\*Students must choose a different subject area to fulfill Scientific World than was used to fulfill Life & Physical Sciences, and **must** have one lab.

+Foreign Language courses are determined through placement by the Foreign Language Department, Room 3C08.
