

Pathways Four-Year Plan 2016-2017

Occupational Therapy (BS/MS)

Department of Occupational Therapy
School of Health Sciences & Professional Programs
Room AC-1E12 | (718) 262-2720

The following is a **suggested** plan of study for completion of this degree program. The goal of a Four-Year Plan is to ensure that students graduate with no more than 120 credits and in four years.

- All students should speak with an academic advisor about their academic programs. **This document is not a substitute for academic advisement.**
- Students are encouraged to take Winter and Summer courses to facilitate their progress towards graduation.
- Transfer students do not need to take all courses in the plan; they should consult with an academic advisor.

	Credits		Credits
First Year – Fall	16	First Year – Spring	17

- York students are required to complete (pass) three (3) Writing intensive (WI) courses: two (2) in the lower division (100-200 level) and one (1) in the upper division (300-level).
- If you transferred to York College with credit for General Education requirements, you must still complete one (1) WI course in the upper division within your major. If your major has no upper division WI course, you must take a WI course chosen in consultation with your major advisor.
- BS students must complete 60 credits of liberal arts – See Bulletin.

In order to register for Chemistry 106 and 107 OR Chemistry 108 and 109, students must demonstrate competence in Algebra via placement in Math 121 by the Math department, or completion of Math 104 or Math 119 & 120.

*Psychology 215 & 216 are required only for those students who do not take Psychology 214.

+Foreign Language courses are determined through placement by the Foreign Language Department, Room 3C08.
