COLLEGE FACILITIES - HOURS OF OPERATION

College facilities have designated hours of operation for reasons of security and fire safety as well as to control costs of light, heat, ventilation, air conditioning and cleaning. College policy is for facilities to be closed after the end of official programs, i.e., classes, library and special events.

See York College Bulletin for specific hours of operation.

ACADEMIC ADVISEMENT

All students must seek advisement for the Fall 2008 semester. Faculty advisors are available to meet with students to discuss the courses necessary to earn a degree.

All freshmen (0 – 27.5 credits), except for SEEK freshmen, **must** be advised by the Counseling Center located in room AC-1G02. Freshmen should contact the Counseling Center at (718) 262-2272 or counseling@york.cuny.edu for an appointment. All SEEK freshmen must be advised by a counselor in the SEEK Office located in room AC-1C08. SEEK students must contact a SEEK counselor at (718) 262-2300 for an appointment.

Sophomores, Juniors and Seniors (28 credits and above) must contact their faculty advisor in their major department directly or call the department secretary to arrange for an appointment.

Students who have “Undecided” as a major or are non-degree should seek advisement from the Academic Advisement Center located in room AC-2C01. These students should contact the Academic Advisement Center at (718) 262-2280 or advisement@york.cuny.edu for an appointment.

ESL students must seek advisement from the ESL/CLIP Program Director in the CUNY Language Immersion Program located in room SC-114. ESL students should contact Hamid Kherief at (718) 262-3766 for an appointment.

IMMUNIZATION REQUIREMENT

In compliance with New York State Public Health Law 2165, it is the policy of CUNY that all students born *after* December 31, 1956 are required to submit proof of two immunizations for measles and proof of immunization for mumps and rubella to be in attendance at the University.

Following is the procedure for enforcement of the University policy at York College:

1. In order to begin the process of registration, students must be in partial compliance; that is, students must provide proof of at least the first measles, mumps and rubella vaccinations, and must have a doctor’s appointment for the second measles vaccination. A signed response form for meningitis must be submitted. In an effort to secure a baseline health status for each incoming student, a physical examination is requested. Physical examinations are important for the student’s well-being and should be submitted to the Health Services Center annually.
2. Students in partial compliance will be issued a policy statement at the time of registration informing them that their attendance and academic record can be affected. **Financial Aid eligibility or tuition for that semester can be lost if the student fails to comply.**
3. The proof of the second measles vaccination must be submitted no later than 30 days after the first day of classes. **Students who fail to comply will be notified by mail under the direction of the Vice President for Enrollment Management/Student Development that they have been excluded from classes and may not return to class until they are in compliance.**
4. A grade designation of **WA** (Administrative Withdrawal) will be assigned to students who have been excluded from classes because of non-compliance with the requirements described above. Students not in compliance with the requirement by the end of the semester will receive WA grades.
5. The Provost will notify faculty of those students who are not in compliance with PHL 2165, and who must therefore be excluded from attending classes. **Individual instructors have no control over WA grade assignment.**
6. Students seeking to reverse WA grades prior to one week before the end of the semester may do so by: **(a) providing to the College Nurse proof of immunization as required, and (b) obtaining written approval from each instructor in whose class the student is enrolled.** It will be the faculty member’s prerogative and responsibility to determine whether the student being considered for reversal of a WA grade can reasonably complete the requirements of the course.
7. **No WA grade can be reversed beyond the above stipulated deadline.** If students satisfy the immunization requirement at any time after the last day of the semester, the WA grades remain on the transcript.
8. If students provide satisfactory evidence of immunization after the above period, and before the next semester during which the student wishes to enroll, the student will be permitted to register. **Any and all WA grades assigned to the student’s transcript will remain on the transcript.**
9. The student, or parent if the student is under 18 years of age, must sign a response form for meningitis indicating “Refusal to take vaccine” or “Vaccinated for meningitis.” Documentation must be submitted on doctor’s letterhead or immunization card is required as proof of vaccination.

REGISTRATION

All students except freshmen will register by using *eSIMS* on York's web site at www.York.Cuny.Edu. On York's web site, click on the *eSIMS* icon.

Students are assigned specific times to register. You cannot register before your assigned time. However, you may register at any subsequent time using *eSIMS* through August 26, 2008 at 6:30 P.M. without incurring a late fee as long as tuition and fees are received by the Bursar's Office by 6:30 P.M. on August 26, 2008. Students must pay their initial registration bills by the due date on the bills or their registrations will be de-registered. Registrations will not be de-registered for outstanding tuition and fees due to a change of program. (The bill will indicate 'COP' beneath the balance due.) Students who register during the late registration period will incur an additional \$25 late fee.

A student's initial registration bill must be paid by the due date on the bill or the classes will be de-registered. Once the student's initial registration bill is processed, classes will not be de-registered for an outstanding balance. If the bill indicates 'COP' beneath the balance due, classes will not be de-registered.

Students may pick up a copy of their bill at any time at one of the following locations:

- Registration Area, located near the Atrium on the second floor of the Academic Core (available during registration only)
- Office of the Bursar, room AC-1H01
- Office of the Registrar, room AC-1H06
- Office of Student Financial Services, room AC-1M08
- By accessing the bill information on *eSIMS*

THINGS TO KNOW BEFORE REGISTERING

1. Students must make an appointment to see an advisor prior to registering.
2. Students should prepare a list of courses and course codes prior to registering.
3. Bills will be mailed to students who register on or before July 21st. As of July 22nd, any student who registers must pick up a bill at any one of the following locations: the Registration Area (located near the Atrium on second floor of the Academic Core; available only during registration), the Office of the Bursar (AC-1H01), the Office of the Registrar (AC-1H06) or the Office of Student Financial Services (AC-1M08). The bill lists courses requested, tuition due **and payment due date**. The student should check carefully for the following:
 - **ALL** the courses and sections he/she requested are listed.
 - There are no travel difficulties nor time conflicts.

The checking of the above items is the student's responsibility. If there are any errors the student may have to pay \$18.00 for a Program Change.
4. If the student's financial aid does not appear on the bill, the student should take the bill to the Office of Student Financial Services in room AC-1M08.
5. All students must present their registration bills to the Bursar's Office in room AC-1H01.
6. After the bill is paid, the student should proceed to ID validation.

The first day of classes for Fall 2008 is Wednesday, August 27, 2008.

PERSONAL IDENTIFICATION NUMBER (PIN)

A PIN is a six-digit number needed in order to access information from either registration system. Initially, the college assigns your personal identification number. **IT IS HIGHLY RECOMMENDED THAT ALL STUDENTS CHANGE THEIR PIN NUMBER.** Remember, to ensure security, your PIN should remain confidential and not given to others.

If you forget the new number or if your assigned PIN does not work, you must go to the Office of the Registrar in room AC-1H06 to have the PIN corrected. You must come in person and bring your validated York College I.D. card or some other form of picture I.D.

PROGRAMMING TIPS

Generally conflicts can be avoided by not registering for more than one course with the same section letter. However, sometimes two courses containing the same section letter do not conflict. Evening and weekend sections begin with S, T, V, W, X, Y and Z. Check your program with extreme care, especially if you register for courses that do not use the complete three-hour program.

Program Planning Forms will be available at early registration and registration for working out your program. If you discover a conflict in your program you may make a program change on eSIMS until August 26, 2008 at 6:30 P.M. without being charged a program change fee. Changes made **on or after** August 27, 2008 will incur a \$18.00 program change fee for students who make a program change and have paid their tuition or a \$25.00 late fee for students who are registering/re-registering and paying their initial tuition.

SIZE OF PROGRAM

Generally, a full-time student is enrolled for 15 credits. The maximum number of credits for which a student may register without permission is 18.

A student who wishes to register for more than 18 credits must secure written permission in advance of registration from the chairperson of the Committee on Academic Standards in room AC-2C01.

Students who register for more than 18 credits will be subject to the following fees in addition to full-time tuition:

<u>Credits in excess of 18</u>	<u>Fee</u>
18.5 - 20 credits	\$100
20.5 - 22 credits	\$230
22.5 - 24 credits	\$460
More than 24 credits	\$690

PROBATION

Students on probation may register for a maximum of 12 credits unless otherwise stipulated by the Committee on Academic Standards. Students must consult with a counselor in the Counseling Center in room AC-1G02 prior to registering for the Fall 2008 semester. Students who fail to achieve the minimum 2.00 index (or any other index required by the academic review process) for the Spring 2008 semester will be de-registered from all courses for the Fall 2008 semester and will be dismissed from the college for academic reasons.

Registrations will not be de-registered for outstanding tuition and fees due to a change of program. (The bill will indicate 'COP' beneath the balance due.) **Students may register for classes only through the late registration period (6:30 P.M. on September 2, 2008).**

Students who have paid the full tuition fee for any dropped course(s) may get a partial refund in accordance with the refund policy.

TUITION WAIVERS

Tuition waivers may be changed or abolished by the City University Trustees without notice, and at all times are subject to budgetary limitations that have been established for City University. In the event a student receives a tuition waiver and is subsequently notified that the waiver has been reduced or eliminated, the student shall have the option within seven days after being notified of the reduction or elimination, to pay the amount then due, to make a payment agreement which is acceptable to the college, or to withdraw without penalty by filing the necessary withdrawal forms.

DELINQUENT PAYMENT POLICY

If you do not make full payment on your tuition and fees and other college bills and your account is sent to a collection agency, you will be responsible for all collection costs, including agency fees, attorney fees and court costs, in addition to whatever amounts you owe the college.

In addition, non-payment or a default judgment against your account may be reported to a credit bureau and reflected in your credit report.

REFUNDS

THE ASSOCIATION, CONSOLIDATED, TECHNOLOGY AND UNIVERSITY STUDENT GOVERNMENT FEES ARE NOT REFUNDABLE.

Refunds will be issued only with an official program change according to the following schedule:

Before the first day of classes – August 26 th		100%
First week -	Aug. 27 – Sept. 2	75%
Second week -	Sept. 3 – Sept. 9	50%
Third week -	Sept. 10 – Sept. 16	25%
On and after September 17		No Refund

The date the student completes the transaction in the Office of the Registrar or by using eSIMS is the date that determines the amount of refund. *If eSIMS is unavailable for any reason, it is the date that the student completes the transaction in the Office of the Registrar (during office hours) that determines the amount of refund.* **eSIMS will not be available for dropping courses after 6:30 P.M. on September 2, 2008.** In order to drop courses, students must come to the Office of the Registrar in room AC-1H06 during office hours.

All fees are subject to change without notice by the Board of Trustees, regardless of the fee schedule at the time of registration.

CANCELED COURSES

In the event a course is canceled by the college, a student is entitled to a free program adjustment or a full (100%) refund of tuition and non-instructional fees (where applicable).

FINANCIAL AID

Students should apply for financial aid using the Free Application for Federal Student Aid (FAFSA) as early as possible. For the 2008/2009 academic year priority is given to those who file their FAFSA by May 1, 2008. We recommend that

students file online at www.fafsa.edu.gov and use the New York State link to complete the state application process. This is the fastest and easiest way to apply for aid. A computer lab is available in Student Financial Services AC-1M08 for students who wish to file online.

Students must reapply for financial aid every year. Filing and completing the application process by the May 1st priority deadline will allow students to register for classes early and have their financial aid awards applied to their bill.

TAP* is a Tuition Assistance Program for full-time degree students. (Specific eligibility requirements are available in Student Financial Services.)

A full-time student is one who takes at least twelve credit hours that are creditable toward a declared major.

For first-term freshmen, at least three credit hours of the full-time enrollment must be college credit bearing coursework. For future semesters at least six credit hours of full-time enrollment must be college credit bearing work.

If a student fails to meet academic progress and program pursuit, TAP eligibility is lost. A one-time waiver may be granted by the TAP Waiver Committee. For undue hardship directly affecting the 2.0 requirement, more than one waiver may be granted. Applications for Waivers and Appeals to the Committee's decisions are available in Student Financial Services.

APTS is a tuition assistance program for part-time degree students. (Specific eligibility requirements are available in Student Financial Services.)

Students must take at least six credit hours, but less than twelve, of which three must be non-remedial credits.

Each APTS semester is counted as one-half of a TAP semester towards maximum eligibility.

If a student fails to meet academic progress and program pursuit toward a degree, APTS eligibility for a subsequent term is lost. A one-time waiver may be granted by the TAP Waiver Committee. For undue hardship directly affecting the 2.0 requirement, more than one waiver may be granted. Applications for Waivers and Appeals to the Committee's decisions are available in Student Financial Services.

*All state awards are subject to legislative changes.

Title IV Federal Programs (Pell, FWS, SEOG, Perkins, Stafford)

To determine if a student is eligible, the U.S. Department of Education uses a standard formula, established by Congress, to evaluate the information reported on the Free Application for Federal Student Aid (FAFSA). Based on the information given on the FAFSA, the Expected Family Contribution (EFC) number will be used to determine eligibility for federal student aid. (Specific eligibility requirements are available in Student Financial Services.)

Federal Pell Grant awards will depend on the results of a student's FAFSA, full or part-time enrollment and whether the student attends school for a full academic year, or less.

Federal SEOG Grant is a program that helps exceptionally needy students. Awards depend on the level of student need and the availability of funds.

Rights and Responsibilities of Recipients:

Federal regulations require the College to establish standards of Satisfactory Academic Progress for purposes of the receipt of Title IV financial assistance. When appropriate, this policy may be applied to other aid programs administered by Student Financial Services. A student must maintain satisfactory academic progress in a course of study regardless of whether the student was a previous recipient of Title IV financial assistance. The factors required to measure satisfactory progress are qualitative and quantitative. The qualitative measure is the grade point average. The quantitative measure is the time-frame limitation and measure of courses completed to those attempted. (For further information refer to the York College Bulletin.)

Withdrawing from courses can reduce your financial aid eligibility for that semester. If you completely withdraw from school in any semester, your financial aid will be recalculated using a specific formula based on the percentage of attendance in the semester. Students should consult with Student Financial Services when considering withdrawing from a course(s).

COMPENSATORY, DEVELOPMENTAL, AND REMEDIAL COURSES

Courses	Hours	Credits	Equated Hours
ESL 145	6.0	2.0	6.0
150	8.0	2.0	8.0
Math 102	3.0	1.0	3.0

VETERANS

Students who are eligible for Veterans Benefits should consider the following when planning their class schedules:

To qualify for:	You must carry a program of:
full-time benefits	at least 12 credits
3/4-time benefits	at least 9 credits
1/2-time benefits	at least 6 credits
no benefit	5 credits or less

PARKING

Applications for parking permits are available from the **Public Safety Office** (Academic Core Building, Room AC-1M02). Students, staff and faculty must apply in person and present the following at the Public Safety Office:

- Completed Parking Permit Application
- Proof of school registration (eSIMS printout or Bursar receipt)
- York College Identification Card (Validated)
- Valid Driver' License
- Car Registration (which must be in the student's name or in the family name)

The application will be checked and validated by the **Public Safety Office**. Applicants will pay the applicable parking fee at the **Bursar's Office** and return to the Public Safety Office with their receipt to be issued the parking permit.

Type of Permit	Period Valid	Students
Fall	September 1, 2008 - January 31, 2009	\$65.00

Parking fees are not refundable.

Permits must be hung facing out on the rearview mirror. It is advisable that parking permits be removed before placing the vehicle in motion. Lost or stolen parking permits must be reported to the New York City Police department, and will not be replaced by the Office of Public Safety. A new permit must be purchased at full price.

When the College is open, the gates of the parking lots are open from 7:00 am to 11:00 pm Monday through Friday; from 7:00 am to 6:00 pm on Saturday; and from 7:30 am to 5:00 pm on Sunday. (Allowances are made for special programs that run past the College's "regular" hours on weekends.)

FILING FOR GRADUATION

The deadline for filing an application for **February 2009** graduation has passed. However, an extension has been granted. Students who missed the deadline for filing an application for graduation in **February 2009** may apply during the Fall 2008 registration period (August 20th through September 2nd) in the Office of the Registrar. An application for graduation in **May 2009** must be on file in the Office of the Registrar by September 16, 2008.

CUNY PROFICIENCY EXAMINATION (CPE)

Students are required to take the CPE when they complete their 45th credit. Students are granted three attempts to pass the CPE. An appeal process is in place for students who need to postpone a required sitting or to request a further administration to pass the exam. All CUNY students must pass the CUNY Proficiency Exam before graduating. The CPE is offered to all eligible students in March and October, with optional administrations in January and June.

The CPE consists of two parts: Task One, which asks students to write an essay comparing a long and a short reading, and Task Two, which asks students to compare data presented in one paragraph and two graphical representations (charts, tables, etc.). A student must receive passing grades on both tasks to pass the exam.

To help students prepare for the CPE, York College offers many support services. A booklet explaining the CPE and its scoring is available through the Testing Center, room AC-1G05. Workshops focusing on task one and tasks two are available through the Writing Center, room 1C18, in the weeks prior to a CPE administration. Students can also join live readings to help them study the long reading and prepare for the exam.

Our newest and most exciting developments in CPE preparation are online. Students can now register for the CPE using the Internet. All students registering for the CPE must complete an interactive tutorial that will familiarize them with the test format and direct them to specific resources. The online tutorial includes separate practice exams for Task One and Task Two that will allow students to see sample questions and write their own answers. Please visit York's CPE online tutorial for additional CPE practice materials at <http://york.cuny.edu/testing/cpe-exam>.

Students with any questions about the CPE should visit the Testing Office (AC-1G05), the Writing Center (AC-1C18) or the CPE Liaison (AC-3C11). York is committed to helping students to do their best on this important exam.

CARDINAL CHECK*

Cardinal Check is York College's new web-based academic advisement and degree audit system.

Cardinal Check generates an easy to read degree audit that takes the courses from a student's transcript and reorganizes them to fulfill requirements for a student's degree, major, minor, CPE and skills assessment as defined in the college bulletin.

At a glance **Cardinal Check** shows:

- All degree requirements for your major
- Courses already completed and courses still required
- Grades, transfer credits and Writing Intensive requirements applied to your transcript.
- CPE and Skills requirements
- GPA

Students and advisors should use Cardinal Check as a guide when planning a program toward completion of graduation requirements. The Cardinal Check audit is not an academic transcript nor is it an official notification of completion of degree or certificate requirements but an essential aid in determining those achievements. If graduation is anticipated within the next academic year, you must complete an Application for Diploma in the Office of the Registrar in Room AC-1H06. (See the Academic Calendar regarding deadlines for graduation applications.)

For any additional information regarding Cardinal Check please contact Gale Cunningham, Coordinator for DegreeWorks at extension 3753 or email CardinalCheck@york.cuny.edu.

WRITING INTENSIVE COURSES

A Writing Intensive course is a subject-area course that incorporates guided formal writing assignments as a means to enhance learning, and in order to prepare student for the writing demands of their majors. Students must complete 3 Writing Intensive courses in order to graduate from York College:

- Two (2) in the lower division of the curriculum (at the 100- or 200-level)
- One (1) in the upper division (at the 300-level or above), preferably within the major discipline design.

Consult with a faculty advisor in your major field of study for help in selecting the Writing Intensive course(s) appropriate for your program of study.

Students who have transferred to York College and have completed their General Education requirements must complete one Writing Intensive course in the upper division (at the 300-level or above) within the major discipline design.

Writing Intensive courses will be designated on each student's transcript and are visible in Cardinal Check.

The list of Writing Intensive courses varies from semester to semester. The following list shows those courses for Fall 2008 which have been designated as Writing Intensive (WI) as of the date of this publication. Please consult eSims or the Writing Across the Curriculum Program website at <http://york.cuny.edu/wac/wi-spr08> for other Writing Intensive courses offered in the Fall 2008.

Cheating is the unauthorized use or attempted use of material, information, notes, study aids, devices or communication during an academic exercise.

The following are some examples of cheating, but by no means is it an exhaustive list:

- Copying from another student during an examination or allowing another to copy your work.
- Unauthorized collaboration on a take home assignment or examination.
- Using notes during a closed book examination.
- Taking an examination for another student, or asking or allowing another student to take an examination for you.
- Changing a graded exam and returning it for more credit.
- Submitting substantial portions of the same paper to more than one course without consulting with each instructor.
- Preparing answers or writing notes in a blue book (exam booklet) before an examination.
- Allowing others to research and write assigned papers or do assigned projects, including use of commercial term paper services.
- Giving assistance to acts of academic misconduct/dishonesty.
- Fabricating data (all or in part).
- Submitting someone else's work as your own.
- Unauthorized use during an examination of any electronic devices such as cell phones, palm pilots, computers or other technologies to retrieve or send information.

Plagiarism is the act of presenting another person's ideas, research or writings as your own. The following are some examples of plagiarism, but by no means is it an exhaustive list:

- Copying another person's actual words without the use of quotation marks and footnotes attributing the words to their course.
- Presenting another person's ideas or theories in your own words without acknowledging the source.
- Using information that is not common knowledge without acknowledging the source.
- Failing to acknowledge collaborators on homework and laboratory assignments.

Internet plagiarism includes submitting downloaded term papers or parts of term papers, paraphrasing or copying information from the internet without citing the source, and "cutting & pasting" from various sources without proper attribution.

Obtaining Unfair Advantage is any activity that intentionally or unintentionally gives a student an unfair advantage in his/her academic work over another student.

The following are some examples of obtaining an unfair advantage, but by no means it is an exhaustive list:

- Stealing, reproducing, circulating or otherwise gaining advance access to examination materials.
- Depriving other students of access to library materials by stealing, destroying, defacing, or concealing them.
- Retaining, using or circulating examination materials which clearly indicate that they should be returned at the end of the exam.
- Intentionally obstructing or interfering with another student's work.

Falsification of Records and Official Documents

The following are some examples of falsification, but by no means is it an exhaustive list:

- Forging signatures of authorization.
- Falsifying information on an official academic record.
- Falsifying information on an official document such as a grade report, letter of permissions, drop/add form, ID card or other college document.
