ERNESTO MALAVE SCHOLARSHIP FOR THE ARTS

## PURPOSE

Ernesto Malave, Vice Chancellor for Budget and Finance at The City University of New York, passed away unexpectedly on Sunday, November 22, 2009. He was 51 years old. Throughout his 27-year career at CUNY, including the last six years as the University's chief financial officer, he was known for his keen financial acumen, creative leadership, and genuine concern for students and colleagues alike. His distinguished and dedicated service enhanced the University in every way. Ernesto managed a vast financial universe, but he was no ordinary chief financial officer. His bottom line was keeping CUNY's riches affordable for the most economically vulnerable of students. That he kept that promise will always be remembered.

Mr. Malave was instrumental in making the Annual Comité Noviembre Artisans Fair a reality by providing funding and resources in 2005 and every year until his death. Last year, to commemorate the 10<sup>th</sup> anniversary of the Fair, CN established the Ernesto Malave Scholarship for the Arts for his contribution, support and commitment to making the Artisans Fair a reality. The award will recognize Puerto Ricans pursuing a higher education majoring in the Arts. The arts represent an outlet of expression, that is usually influenced by culture and which in turn helps to change culture. The candidate must be majoring in either of the following artistic disciplines: **literature**: including poetry, novels, short stories, and epics; **performing arts**: music, dance, and theatre; **media arts**: photography, cinematography, and **visual arts and crafts**: drawing, painting, ceramics, and sculpting.

This annual award will both promote the advancement of new artists and invest in their continued growth by providing support for their ongoing education and artistic development. The scholarship winner will receive a \$1,000 scholarship.
