 Date

Students have **21 days** from the first day of classes of the current term to change and/or declare a major/minor. If received within the 21 days, the new major/minor will be effective during the current semester. If this form is received on or after the 22<sup>nd</sup> day of the term, the major/minor will become effective for the following semester.

As a result of my major/minor change, I acknowledge my transfer credits may be reevaluated to reflect my new major/minor. In addition, additional credits may be required to fulfill my graduation requirements for the new major/minor.
