

**Supplemental Course (H-Course) Contract**

---

This contract indicates that this course is being converted into an Honors Supplemental course. The student is required to complete all normal coursework and the honors coursework indicated in this contract by the end of this semester. The terms of this contract are outlined below.

*Please outline below what the honors student is expected to do in addition to the regular coursework (as outlined in the syllabus for the course). Please keep in mind that this work should give the student the opportunity to study, in depth, a topic related to the course material. It is suggested that the additional work constitute approximately 2-3 hours of extra work per week.*
