A Few Things to Know About HyFlex Proctorio Testing

Device Set-Up

Since the point of our HyFlex platform is to allow students the ability to test remotely there are a few things you need to be aware of before beginning your exam:

STEP # 1 - HyFlex Exams work best using Google Chrome – Be sure to install if you are not using it already.

<https://www.google.com/chrome/>

STEP # 2 - You must install the Proctorio Extension to utilize the proctoring services. (see system requirements on the next page. [Proctorio Extension](#))

STEP # 3 – You will need to test in a quiet spot, free of distractions and interruptions. There are no breaks allowed during the exam and we strongly suggest no eating or drinking as this may interfere with the exam. If you require ADA accommodations, please contact your testing center for the correct exam to take.

**PLEASE NOTE: YOU DO NOT NEED TO SCHEDULE A DATE AND TIME FOR THIS EXAM.
Simply make the purchase and take the exam when you are ready.**
