

INTEGRATED MODELS OF HEALTH SCIENCE EDUCATION: CHANGING HEALTHCARE ONE PROVIDER AT A TIME

David M. Brady – ND, DC, CCN, DACBN

Vice Provost, Health Sciences Division

Director, Human Nutrition Institute

Associate Professor of Clinical Sciences

Dr. David M. Brady is a distinguished scholar and educator in the areas of integrative clinical health education and practice. He is a licensed naturopathic physician, a chiropractic physician, and a board certified nutritionist, who is sought after as distinguished national and international lecturer, having published a magnitude of scientific papers and text books. He serves as an expert consultant to the nutritional supplement and clinical laboratory industries.

All York College and other CUNY Colleges' Faculty, Students and Staff are welcome to attend but must RSVP By September 30th
