YORKCollege **W** Administrative, Educational, & Student Support (AESS) Assessment

Source/Element	Capacity Criteria	Initial (1)	Emerging (2)	Developed (3)
	Measure and Measure Type (Direct: measure actual performance; Indirect: perception/opinions)	☐ Has not yet developed (or identified) measures for any of the outcomes or those that are identified are unclear and do not tie back to the outcome(s)	☐ Has developed (or identified) appropriate measures for some of the outcomes but at least some measures are unclear	☐ Has developed (or identified) appropriate measures for all outcomes; the measures are clear and tie back to the outcome
	Target	☐ Target is not defined and/or does not align with any of the outcomes	☐ Target is identified and partially aligns with some of the outcomes	☐ Target clearly identifies a baseline or standard of success that aligns for all outcomes
Year-End Annual Assessment Report	Target Met	☐ The target met or not met selection is incorrect based on the results described in the findings section and the target set in the plan	☐ The target met or not met selection is accurate for some but not all outcome(s) based on the results described in the findings section and the target set in the plan	☐ The target met or not met selection is accurate for all outcomes and reflect the results described in the findings section and the target set in the plan
	Findings and Progress	☐ The findings are incomplete, unclear and fail to tie back to any of the outcome(s)	The findings are partially described and do not clearly tie back to one or more outcomes(s)	 The findings for all outcomes clearly tie back to the outcome(s). The progress made is also described as appropriate
	Use of Results Check if there are changes 	□ Type of changes (if any) do not align with the assessment findings for any outcome(s)	Type of changes (if any) align with the assessment findings for some but not all outcome(s)	□ Type of changes (if any) clearly align with the assessment findings for all outcome(s)
	Recommended Change(s)	Recommended changes are partially mentioned but not clearly identified and/or not explained for any of the outcomes	Recommended changes are identified and explained for some outcomes, and/or only partial explanation is provided of why there is no change(s)	Recommended changes are thoroughly explained and/or explanation is provided of why there is no change(s) for all outcome assessed
	Action Plan/Next Steps	☐ The action plan and next steps are unclear and fail to identify when and how the changes will be implemented, and who is responsible for any of the outcomes	□ The action plan and next steps are partially described but fail to identify when or how the changes will be implemented and/or who is responsible for some of the outcomes	□ Concrete action plan and next steps are described including when and how the changes will be implemented and who is responsible for all outcomes

YORKCollege **W** Administrative, Educational, & Student Support (AESS) Assessment

Source/Element	Capacity Criteria	Initial (1)	Emerging (2)	Developed (3)
	Overall: Evidence of systematized continuous improvement using assessment findings	☐ No evidence of systematized continuous improvement using assessment findings	☐ Some evidence of systematized continuous improvement using assessment findings	☐ Clear evidence of systematized continuous improvement using assessment findings
	Assessment Communication and Method of Communication	The findings will be shared with only one stakeholder via only one method (email, meeting, report etc.)	The findings will be shared with more than one stakeholders via one or more methods (email, meeting, report, etc.)	□ The findings will be shared with all stakeholder involved including the department head and divisional VP via one or more methods (email, meeting, report, etc.)
	Attachments:	If applicable, are not attached and thus does not support assessment findings	If applicable, are partially attached and thus does not support assessment findings	If applicable, are attached and clearly support assessment findings
	Changes Implemented from last year's annual assessment report	☐ The current status on the identified changes/action plan (if any) from last year's assessment report is not identified	□ The current status on the identified changes/action plan (if any) from last year's assessment report is partially identified, and/or lacks the time when the changes were implemented, and when they will be reassessed.	□ The current status on the identified changes/action plan (if any) from last year's assessment report is identified, indicates time when the changes were implemented, and when they will be reassessed.
