Faculty Experience Survey

The Faculty Experience Survey is being conducted to gain an accurate picture of the professional needs and priorities of faculty regarding their views of the campus environment at York College.

Your Participation is Requested!

The information gathered through the survey will inform the College leadership about the faculty's needs and satisfaction across various areas of their jobs with the aim of improving the institutional climate for faculty. This Survey is Open to Select Faculty Members Only. **You must login to the website first.**

You must first log into the College Website

Then Take The Faculty Experience Survey
