Wright, Renee	Assistant Professor	Health Professions	Nursing	2/1/2008	N/A
Matthew, Lilly	Assistant Professor	Health Professions	Nursing	8/25/2011	N/A

EXPLANATION: Contingent upon the approval of the Board of Trustees to establish the Department of Nursing, the above named instructional staff will be transferred from the Department of Health Professions to the Department of Nursing.

\*Pursuant to Section 6212 of the New York State Education Law, seniority of tenured persons is governed by the date of appointment to the department. Tenured persons transferred and appointed effective the same date to the Department of Nursing shall have the same date of seniority as a result of these transfers. The President, therefore, shall break these ties in seniority between and among the tenured members by using each member's original date of appointment to his or her first full-time instructional staff title.

At such time as the untenured faculty members become tenured, their seniority would be governed by the date of appointment to the new department and the President will apply the same tie-breaking principle.

Each impacted instructional staff member has been advised of his/her seniority date in the new department.
