

**Division of Student Development
End of Year Report
Spring 2017**

Department/Unit:	Division of Student Development Health Center Services	
Mission Statement:	The mission of the Student Health Services Center is to foster health and wellbeing for all students of York College CUNY. To accomplish our mission, we promote holistic health, prevention and early recognition of illness, and make appropriate referrals when deemed necessary. We respect and care for the physical and emotional needs of current students while monitoring their immunization and physical status. We promote health care through best healthcare practices, education and research.	
Status of Goals Attainment for 2016-17	<ul style="list-style-type: none"> • Completion of the Basic Life Support for Students & Staff • Review/Error Checking of Student Immunization Documentation and Student Immunization Record Form for period 2012 -2017 • The assistance of students in the enrollment for cheap or low-cost health insurance • New students and transfer students' adherence to state immunization requirements for college students • Supporting students in matters pertaining to health outcomes 	
Amount of Students Using Services this Past Year:	Aug. 2016 – Dec. 2016: <u>2,390</u> Jan. 2017 – May 2017: <u>1,772</u> Total: <u>4,162</u>	

Department/Unit:	Division of Student Development Health Center Services	
Types of Services Provided:	<ul style="list-style-type: none"> • Monitoring of immunization status • Vaccine administration • Blood pressure monitoring • Blood glucose monitoring • First aid for injuries • Temporary infirmary care • Pain management • Health education • Counseling and/or referral for health issues • Communicable disease tracking and follow-up • Mental Health Awareness • Domestic Violence Awareness • Cardiopulmonary resuscitation training • Provide information on national health observances 	
Amount of Events Staged this Year and # Students Attending Each Event:	<p><u>Fall 2016</u></p> <p>Health Insurance Weekly Marketing → 173</p> <p>Health Insurance & Awareness → 1295</p> <p>HIV Testing → 15</p> <p>Domestic Violence Workshops → 36</p> <p>Blood Drive → 142</p> <p>World AIDS Day → 1270</p> <p><u>Spring 2017</u></p> <p>Health Insurance Weekly Marketing → 177</p> <p>Health Insurance & Awareness → 1090</p> <p>HIV Testing & Blood Drive → n/a</p> <p>Domestic Violence Workshops → 21</p> <p>Wellness Festival → 2,452</p>	<p>How did each event contribute toward integrating, engaging, involving, validating and supporting students at the College?</p> <p>Students become involved and engaged in The Student Health Services Events because of the large number of vendors' offerings and the variety of services they provide (for example, access to SNAP programs, Access-A-Ride, organ donation, safe sex options, insurance offerings, ongoing health research investigations by York students, domestic violence assistance, blood pressure monitoring, healthy eating education and a host of vendor services).</p> <p>Students are reminded of all health events by email, via YORK app, display monitors located throughout the college and word-of-mouth when they visit our office. Their health and well-being is thus, integrated with their college life.</p> <p>Validation is achieved when students' participation is</p>
