York College Strategic Planning 2020-25
Questions For Breakouts

1. What top accomplishments did YC achieve with the last plan (2010-20)?

2. What do you think are YC's current strengths and challenges? (For example: what facilitates or gets in the way of student success, faculty/staff/administrator excellence, and strong programs/operations?)

3. Given this, what top 5 major activities should YC prioritize for the next 5 years?

Breakout then share highlights.
