From: Chancellor Félix V. Matos Rodríguez
Subject: President Search Progress Report

I hope your spring semester is going well. Thank you for your continued interest and support in the process of selecting the next president of York College.

It's been a busy start to the year, and I acknowledge that the search process has taken longer than we anticipated. I write to assure you that we are finalizing the vetting process, and our goal is to announce a finalist at the next Board of Trustees meeting on April 14.

I would like to take this opportunity to thank the dedicated members of the York College Presidential Search Committee, led by Trustee Herminia Palacio, as well as the members of the York College community who participated in this confidential process.

Thank you for your patience. I wish you and York continued success.

Sincerely,

A handwritten signature in blue ink, appearing to read "Félix V. Matos Rodríguez", followed by a long horizontal line extending to the right.

Félix V. Matos Rodríguez, Ph.D.
