## ACADEMIC ADVISEMENT

All students must seek advisement for the Fall 2010 semester. Faculty advisors are available to meet with students to discuss the courses necessary to earn a degree.

All freshmen (0 – 27.5 credits), except for SEEK freshmen, **must** be advised by the Counseling Center located in room AC-1G02. Freshmen must contact the Counseling Center at (718) 262-2272 or [counseling@york.cuny.edu](mailto:counseling@york.cuny.edu) for an appointment. All SEEK freshmen must be advised by a counselor in the SEEK Office located in room AC-1C08. SEEK students must contact a SEEK counselor at (718) 262-2300 for an appointment.

All entering transfer students, except SEEK and York Scholars, must be advised prior to registering at the Academic Advisement Center, in room AC-2C01. To schedule an appointment call (718) 262-2280 or email [advisement@york.cuny.edu](mailto:advisement@york.cuny.edu).

Sophomores, Juniors and Seniors (28 credits and above) must contact their faculty advisor in their major department directly or call the department secretary to arrange for an appointment.

Students who have "Undecided" or "Undeclared" as a major or are non-degree should seek advisement from the Academic Advisement Center located in room AC-2C01. These students should contact the Academic Advisement Center at (718) 262-2280 or [advisement@york.cuny.edu](mailto:advisement@york.cuny.edu) for an appointment.

ESL students must seek advisement from the ESL/CLIP Program Director in the CUNY Language Immersion Program located in room SC-114. ESL students should contact Prof. Hamid Kherief at (718) 262-3766 for an appointment.

## IMMUNIZATION REQUIREMENT

In compliance with New York State Public Health Law 2165, it is the policy of CUNY that all students born *after* December 31, 1956 are required to submit proof of two immunizations for measles and proof of immunization for mumps and rubella to be in attendance at the University.

Following is the procedure for enforcement of the University policy at York College:

1. In order to begin the process of registration, students must be in partial compliance; that is, students must provide proof of at least the first measles, mumps and rubella vaccinations, and must have a doctor's appointment for the second measles vaccination. A signed response form for meningitis must be submitted. In an effort to secure a baseline health status for each incoming student, a physical examination is requested. Physical examinations are important for the student's well being and should be submitted to the Health Services Center annually.
2. Students in partial compliance will be issued a policy statement at the time of registration informing them that their attendance and academic record can be affected. **Financial Aid eligibility or tuition for that semester can be lost if the student fails to comply.**
3. The proof of the second measles vaccination must be submitted no later than 30 days after the first day of classes. **Students who fail to comply will be notified by mail under the direction of the Vice President for Enrollment Management/ Student Development that they have been excluded from classes and may not return to class until they are in compliance.**
4. A grade designation of **WA** (Administrative Withdrawal) will be assigned to students who have been excluded from classes because of non-compliance with the requirements described above. Students not in compliance with the requirement by the end of the semester will receive WA grades.
5. The Provost will notify faculty of those students who are not in compliance with PHL 2165, and who must therefore be excluded from attending classes. **Individual instructors have no control over WA grade assignment.**
6. Students seeking to reverse WA grades prior to one week before the end of the semester may do so by: **(a) providing to the College Nurse proof of immunization as required, and (b) obtaining written approval from each instructor in whose class the student is enrolled.** It will be the faculty member's prerogative and responsibility to determine whether the student being considered for reversal of a WA grade can reasonably complete the requirements of the course.
7. **No WA grade can be reversed beyond the above stipulated deadline.** If students satisfy the immunization requirement at any time after the last day of the semester, the WA grades remain on the transcript.
8. If students provide satisfactory evidence of immunization after the above period, and before the next semester during which the student wishes to enroll, the student will be permitted to register. **Any and all WA grades assigned to the student's transcript will remain on the transcript.**
9. The student, or parent if the student is under 18 years of age, must sign a response form for meningitis indicating "Refusal to take vaccine" or "Vaccinated for meningitis." Documentation must be submitted on doctor's letterhead or immunization card is required as proof of vaccination.

## REGISTRATION

All students must register by using **eSIMS** on the CUNY portal at [www.cuny.edu](http://www.cuny.edu). On the CUNY portal, enter your user name and password then click on the **eSIMS** icon. First-time users will need to register for a portal account. Go to [www.cuny.edu](http://www.cuny.edu) and click

on 'Register Now!'. Follow the easy instructions for creating an account. Any student who needs additional assistance should go to the Student Helpdesk located in room AC-2E03.

Students are assigned specific times to register. You cannot register before your assigned time. However, you may register at any subsequent time using eSIMS through August 25, 2010 at 6:30 P.M. without incurring a late fee as long as tuition and fees are received by the Bursar's Office by 6:30 P.M. on August 25, 2010. Students must pay their initial registration bills by the due date on the bills or their classes will be de-registered. Registrations will be processed automatically for students with a zero dollar balance on their bills and no financial stops appearing on their records. Registrations will not be de-registered for outstanding tuition and fees due to a change of program. (The bill will indicate 'COP' beneath the balance due.) Students who register during the late registration period will incur an additional \$25 late fee.

**A student's initial registration bill must be paid and/or processed by the due date on the bill or the classes will be de-registered. Once the student's initial registration bill is processed, classes will not be de-registered for an outstanding balance. Students are encouraged to check eSIMS regarding the balance on their bills. If a student plans on not attending the college after the bill is processed, he/she must drop the courses or a tuition liability will incur. If the bill indicates 'COP' beneath the balance due, classes will not be de-registered for non-payment.**

Students may pick up a copy of their bill at any time at one of the following locations:

- Registration Area, located near the Atrium on the second floor of the Academic Core (available during registration only)
- Office of the Bursar, room AC-1H01
- Office of the Registrar, room AC-1H06
- By accessing the bill information on eSIMS

### **THINGS TO KNOW BEFORE REGISTERING**

1. Students must make an appointment to see a faculty advisor prior to registering.
2. Students should prepare a list of courses **and** course codes prior to registering.
3. Bills will be mailed to students who register on or before December 18, 2009. As of December 19, 2009, any student who registers must pick up a bill at any one of the following locations: the Registration Area (located near the Atrium on second floor of the Academic Core; available only during registration), the Office of the Bursar (AC-1H01), the Office of the Registrar (AC-1H06) or the Office of Student Financial Services (AC-1M08) during their office hours only. The bill lists courses requested, tuition due **and payment due date**. The student should check carefully for the following:
  - **ALL** the courses and sections he/she requested are listed.
  - There are no travel difficulties or time conflicts.***The checking of the above items is the student's responsibility. If there are any errors the student may have to pay \$18.00 for a Program Change.***
4. If the student's financial aid does not appear on the bill, the student should take the bill to the Office of Student Financial Services in room AC-1M08.
5. All students must present their registration bills to the Bursar's Office in room AC-1H01. Students whose bills have a zero dollar balance will be processed automatically providing no financial stops have been placed on their records.
6. After the bill is paid, the student should proceed to ID validation.

**The first day of classes for Fall 2010 is Thursday, August 26, 2010.**

### **PROGRAMMING TIPS**

Generally conflicts can be avoided by not registering for more than one course with the same section letter. However, sometimes two courses containing the same section letter do not conflict. Evening and weekend sections begin with S, T, V, W, X, Y and Z. Check your program with extreme care, especially if you register for courses that do not use the complete three-hour program.

Program Planning Forms will be available at early registration and registration for working out your program. If you discover a conflict in your program you may make a program change on eSIMS until August 25, 2010 at 6:30 P.M. without being charged a program change fee. Changes made **on or after** August 26, 2010 will incur a \$18.00 program change fee for students who make a program change and have paid their tuition or a \$25.00 late fee for students who are registering/re-registering and paying their initial tuition.

### **SIZE OF PROGRAM**

Generally, a full-time student is enrolled for 15 credits. The maximum number of credits for which a student may register without seeking approval from the Committee on Academic Standards is 18.

A student who wishes to register for more than 18 credits must secure written permission in advance of registration from the chairperson of the Committee on Academic Standards in room AC-2C01.

Students who register for more than 18 credits will be subject to the following fees in addition to full-time tuition:

<u>Credits in excess of 18</u>	<u>Fee</u>
18.5 - 20 credits	\$100
20.5 - 22 credits	\$230
22.5 - 24 credits	\$460
More than 24 credits	\$690

### **PROBATION**

Students on probation may register for a maximum of 12 credits unless otherwise stipulated by the Committee on Academic Standards. Students must consult with a counselor in the Counseling Center in room AC-1G02 prior to registering for the Fall 2010 semester. In addition, SEEK students must also consult with their SEEK counselor in the SEEK Learning Center in room AC-1C08 prior to registering for the semester. Students who fail to achieve the minimum 2.00 index (or any other index required by the academic review process) for the Spring 2010 semester will be de-registered from all courses for the Fall 2010 semester and will be dismissed from the college for academic reasons.

Failure to pay the initial registration bill by that time will result in the automatic de-registration of the student's courses. Students will be required to pay a late registration fee of \$25.00. Registrations will not be de-registered for outstanding tuition and fees due to a change of program. (The bill will indicate 'COP' beneath the balance due.)

During the first week of classes, August 26<sup>th</sup> through August 31<sup>st</sup>, a registered paid student may make a change of program. (That is adding courses, dropping courses, changing from one section to another of the same course, or changing from one course to another.) The change of program fee is \$18.00. **THIS FEE CANNOT BE WAIVED.** There is no additional fee to drop a course(s) although the student will be liable for tuition. (See the heading 'REFUNDS') **eSIMS will not allow a student to drop a course, add a course or change sections of the same course after 6:30 P.M. on August 31 3, 2010.** Students in the SEEK program may **not** make a program change without the approval of a SEEK counselor.

During the time period of September 1<sup>st</sup> through September 8<sup>th</sup>, a student may drop or add (with the Academic Department's permission) a course or courses by completing an application in the Office of the Registrar in room AC-1H06 during office hours. eSIMS will not be available during this time period. All approvals to add a course must be approved by the Academic Chairperson of the discipline and entered on SIMS. During the time period of September 9<sup>th</sup> through September 15<sup>th</sup>, a student may only drop a course or courses by completing an application in the Office of the Registrar in room AC-1H06 during office hours. No other program changes will be permitted. Courses dropped during the first three weeks of the semester will not appear on the student's transcript. The student will be liable for tuition and fees after processing these changes. Students who drop all classes in the first three weeks of classes will not receive financial aid.

**Students are strongly advised to obtain a copy of their bill after every transaction at one of the following locations:**

### FINANCIAL AID

Students should apply for financial aid using the Free Application for Federal Student Aid (FAFSA) as early as possible. For the 2010/2011 academic year priority is given to those who file their FAFSA by May 1, 2010. We recommend that students file online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) and use the New York State link to complete the state application process. This is the fastest and easiest way to apply for aid. A computer lab is available in the Financial Aid Office AC-1M08 for students who wish to file online.

Students must reapply for financial aid every year. Filing and completing the application process by the May 1<sup>st</sup> priority deadline will allow students to register for classes early and have their financial aid awards applied to their bill.

**TAP\*** is a Tuition Assistance Program for full-time degree students. (Specific eligibility requirements are available in the Financial Aid Office.)

A full-time student is one who takes at least twelve credit hours that are creditable toward a declared major.

For first-term freshmen, at least three credit hours of the full-time enrollment must be college credit bearing coursework. For future semesters at least six credit hours of full-time enrollment must be college credit bearing work.

**Compensatory, Developmental and Remedial Courses**

For payment purposes, remedial courses may be counted toward full-time study requirements. Up to one half of a student’s minimum course-load can consist of non-credit remedial courses (for example, six credits at a semester institution), except that during the first term of college-level study, the minimum full-time course-load of 12 semester hours can include up to nine hours of non-credit remedial hours. Credit-bearing courses need equal only one-fourth the minimum full-time study requirement (for example, three credits at a semester institution).

---

**COMPENSATORY, DEVELOPMENTAL, AND REMEDIAL COURSES**

Courses	Hours	Credits	Equated Credits
ESL 145	6.0	2.0	6.0
150	8.0	2.0	8.0
Math 102	3.0	1.0	3.0

**High School Graduation Requirement**

All recipients of NYS awards must have graduated from high school, have a GED or other equivalent of a high school certificate, or have received a passing score on a federally approved ability-to-benefit (ATB) test.

Students first receiving a NYS award in the 2007-08 academic year or after must have a U.S. high school diploma or recognized equivalent (i.e., GED or home school documentation). Students who do not have these credentials must attain a passing score on all three parts of the ACT COMPASS exam.

Beginning with the summer term of academic year 2008-09, students must take and pass the COMPASS exam within the institution’s add/drop period or within 30 days of the first day of classes, whichever is earlier, to be eligible for a NYS award.

If a student fails to meet academic progress and program pursuit, TAP eligibility is lost. A one-time waiver may be granted by the Petition Committee. For undue hardship directly affecting the 2.0 requirement more than one waiver may be granted. Petitions to Waive Satisfactory Academic Progress Blocks and appeal procedures are available at [www.york.cuny.edu](http://www.york.cuny.edu).

**APTS** is a tuition assistance program for part-time degree students. (Specific eligibility requirements are available in the Financial Aid Office.)

Students must take at least six credit hours, but less than twelve, of which three must be non-remedial credits and are creditable toward a declared major..

Each APTS semester is counted as one-half of a TAP semester towards maximum eligibility.

If a student fails to meet academic progress and program pursuit toward a degree, APTS eligibility for a subsequent term is lost. A one-time waiver may be granted by the Petition Committee. For undue hardship directly affecting the 2.0 requirement, more than one waiver may be granted. Petitions for Waivers are mailed to students who do not meet requirements. Petition and appeal procedures are available at [www.york.cuny.edu/finaid](http://www.york.cuny.edu/finaid).

\*All state awards are subject to legislative changes.

**Title IV Federal Programs (Pell, FWS, SEOG, Perkins, Stafford)**

To determine if a student is eligible, the U.S. Department of Education uses a standard formula, established by Congress, to evaluate the information reported on the Free Application for Federal Student Aid (FAFSA). Based on the information given on the

FAFSA, the Expected Family Contribution (EFC) number will be used to determine eligibility for federal student aid. (Specific eligibility requirements are available in the Financial Aid Office.)

**Federal Pell Grant** awards will depend on the results of a student's FAFSA, full or part-time enrollment and whether the student attends school for a full academic year, or less.

**Federal SEOG Grant** is a program that helps exceptionally needy students. Awards depend on the level of student need and the availability of funds.

**Rights and Responsibilities of Recipients:**

Federal regulations require the College to establish standards of Satisfactory Academic Progress for purposes of the receipt of Title IV financial assistance. When appropriate, this policy may be applied to other aid programs administered by Student Financial Services. A student must maintain satisfactory academic progress in a course of study regardless of whether the student was a previous recipient of Title IV financial assistance. The factors required to measure satisfactory progress is qualitative and quantitative. The qualitative measure is the grade point average. The quantitative measure is the time-frame limitation and measure of courses completed to those attempted. (For further information refer to the York College Bulletin.)

Withdrawing from courses can reduce your financial aid eligibility for that semester. If you completely withdraw from school in any semester, your financial aid will be recalculated using a specific formula based on the percentage of attendance in the semester. Students should consult with Student Financial Services when considering withdrawing from a course(s).

**VETERANS**

Students who are eligible for Veterans Benefits should consider the following when planning their class schedules:

To qualify for:	You must carry a program of:
full-time benefits	at least 12 credits
3/4-time benefits	at least 9 credits
2-time benefits	at least 6 credits
no benefit	5 credits or less

**PARKING**

Applications for parking permits are available from the **Public Safety Office** (Academic Core Building, Room AC-1M02). Students, staff and faculty must apply in person and present the following at the Public Safety Office:

- Completed Parking Permit Application
- Proof of school registration (eSIMS printout or Bursar receipt)
- York College Identification Card (Validated)
- Valid Driver' License
- Car Registration (which must be in the student's name or in the family name)

The application will be checked and validated by the **Public Safety Office**. Applicants will pay the applicable parking fee at the **Office of the Bursar** and return to the Public Safety Office with their receipt to be issued the parking permit.

Type of Permit	Period Valid	Students
FALL	September 1, 2010 – January 31, 2011	\$65.00

Parking fees are not refundable.

Permits must be hung facing out on the rearview mirror. It is advisable that parking permits be removed before placing the vehicle in motion. Lost or stolen parking permits must be reported to the New York City Police department, and will not be replaced by the Office of Public Safety. A new permit must be purchased at full price.

When the College is open, the gates of the East Parking Lot is open from 5:30 am to 11:15 pm Monday through Friday; from 6:00 am to 10:00 pm on Saturday; and from 6:00 am to 8:00 pm on Sunday. (Allowances are made for special programs that run past the College's "regular" hours on weekends.)

## **FILING FOR GRADUATION**

The deadlines for filing an application for **February 2011** graduation has passed. An application for graduation in **May 2011** must be on file in the Office of the Registrar by September 15, 2010.

## **CUNY PROFICIENCY EXAMINATION (CPE)**

Students are required to take the CPE when they complete their 45<sup>th</sup> credit. Students are granted three attempts to pass the CPE. An appeal process is in place for students who need to postpone a required sitting or to request a further administration to pass the exam. All CUNY students must pass the CUNY Proficiency Exam before graduating. The CPE is offered to all eligible students in March and October, with optional administrations in January and June.

The CPE consists of two parts: Task One, which asks students to write an essay comparing a long and a short reading, and Task Two, which asks students to compare data presented in one paragraph and two graphical representations (charts, tables, etc.). A student must receive passing grades on both tasks to pass the exam.

To help students prepare for the CPE, York College offers many support services. A booklet explaining the CPE and its scoring is available through the Testing Center, room AC-1G05. Workshops focusing on task one and tasks two are available through the Writing Center, room 1C18, in the weeks prior to a CPE administration. Students can also join live readings to help them study the long reading and prepare for the exam.

Our newest and most exciting developments in CPE preparation are online. Students can now register for the CPE using the Internet. All students registering for the CPE must complete an interactive tutorial that will familiarize them with the test format and direct them to specific resources. The online tutorial includes separate practice exams for Task One and Task Two that will allow students to see sample questions and write their own answers. Please visit York's CPE online tutorial for additional CPE practice materials at <http://york.cuny.edu/testing/cpe-exam>.

Students with any questions about the CPE should visit the Testing Office (AC-1G05), the Writing Center (AC-1C18) or the CPE Liaison (AC-3C11). York is committed to helping students to do their best on this important exam.

## **CARDINAL CHECK\***

**Cardinal Check** is York College's new web-based academic advisement and degree audit system.

**Cardinal Check** generates an easy to read degree audit that takes the courses from a student's transcript and reorganizes them to fulfill requirements for a student's degree, major, minor, CPE and skills assessment as defined in the college bulletin.

At a glance **Cardinal Check** shows:

- All degree requirements for your major
- Courses already completed and courses still required
- Grades, transfer credits and Writing Intensive requirements applied to your transcript.
- CPE and Skills requirements
- GPA

Students and advisors should use Cardinal Check as a guide when planning a program toward completion of graduation requirements. The Cardinal Check audit is not an academic transcript nor is it an official notification of completion of degree or certificate requirements but an essential aid in determining those achievements. If graduation is anticipated within the next academic year, you must complete an Application for Diploma in the Office of the Registrar in Room AC-1H06. (See the Academic Calendar regarding deadlines for graduation applications.)

For any additional information regarding Cardinal Check please contact Gale Cunningham, Coordinator for DegreeWorks at extension 3753 or email [CardinalCheck@york.cuny.edu](mailto:CardinalCheck@york.cuny.edu).

## WRITING INTENSIVE COURSES

A Writing Intensive course is a subject-area course that incorporates guided formal writing assignments as a means to enhance learning, and in order to prepare student for the writing demands of their majors. Students must complete 3 Writing Intensive courses in order to graduate from York College:

- Two (2) in the lower division of the curriculum (at the 100- or 200-level)
- One (1) in the upper division (at the 300-level or above) within the major discipline design.

Consult with a faculty advisor in your major field of study for help in selecting the Writing Intensive course(s) appropriate for your program of study.

Students who have transferred to York College and have completed their General Education requirements must complete one Writing Intensive course in the upper division (at the 300-level or above) within the major discipline design.

Writing Intensive courses will be designated on each student's transcript and are visible in Cardinal Check.

The list of Writing Intensive courses varies from semester to semester. The following list shows those courses for Fall 2010 that have been designated as Writing Intensive (WI) as of the date of this publication. Please consult eSims or the Writing Across the Curriculum Program website for other Writing Intensive courses offered in the Fall 2010.

## CUNY POLICY ON ACADEMIC INTEGRITY

Academic Dishonesty is prohibited in The City University of New York and is punishable by penalties, including failing grades, suspension, and expulsion, as provided herein.

### Definitions and Examples of Academic Dishonesty

**Cheating** is the unauthorized use or attempted use of material, information, notes, study aids, devices or communication during an academic exercise.

The following are some examples of cheating, but by no means is it an exhaustive list:

- Copying from another student during an examination or allowing another to copy your work.
- Unauthorized collaboration on a take home assignment or examination.
- Using notes during a closed book examination.
- Taking an examination for another student, or asking or allowing another student to take an examination for you.
- Changing a graded exam and returning it for more credit.
- Submitting substantial portions of the same paper to more than one course without consulting with each instructor.
- Preparing answers or writing notes in a blue book (exam booklet) before an examination.
- Allowing others to research and write assigned papers or do assigned projects, including use of commercial term paper services.
- Giving assistance to acts of academic misconduct/dishonesty.
- Fabricating data (all or in part).
- Submitting someone else's work as your own.
- Unauthorized use during an examination of any electronic devices such as cell phones, palm pilots, computers or other technologies to retrieve or send information.

**Plagiarism** is the act of presenting another person's ideas, research or writings as your own. The following are some examples of plagiarism, but by no means is it an exhaustive list:

- Copying another person's actual words without the use of quotation marks and footnotes attributing the words to their course.
- Presenting another person's ideas or theories in your own words without acknowledging the source.
- Using information that is not common knowledge without acknowledging the source.
- Failing to acknowledge collaborators on homework and laboratory assignments.

**Internet plagiarism** includes submitting downloaded term papers or parts of term papers, paraphrasing or copying information from the internet without citing the source, and "cutting & pasting" from various sources without proper attribution.

**Obtaining Unfair Advantage** is any activity that intentionally or unintentionally gives a student an unfair advantage in his/her academic work over another student.

The following are some examples of obtaining an unfair advantage, but by no means it is an exhaustive list:

- Stealing, reproducing, circulating or otherwise gaining advance access to examination materials.
- Depriving other students of access to library materials by stealing, destroying, defacing, or concealing them.
- Retaining, using or circulating examination materials which clearly indicate that they should be returned at the end of the exam.
- Intentionally obstructing or interfering with another student's work.

### Falsification of Records and Official Documents

The following are some examples of falsification, but by no means is it an exhaustive list:

- Forging signatures of authorization.
- Falsifying information on an official academic record.
- Falsifying information on an official document such as a grade report, letter of permissions, drop/add form, ID card or other college document.
