**B. ADMISSION REQUIREMENTS FOR SENIOR COLLEGE PROGRAM**

To be eligible for admission, students will be required to have:

- Junior Standing
- Overall GPA of at least 2.75 on a 4.0 scale
- Grade of C or higher in any major course to be accepted as a transfer. If one received a grade of C- in a major course, the student may repeat it only once to earn a higher grade.
- Grade of C or higher in a credit-bearing mathematics course worth three or more credits\*
- Grade of C or higher in freshman composition, its equivalent, or a higher-level English course\*
- York College will accept transfer credits only, not course grades.
- At most 60 semester credits will be accepted towards the York College B.S. degree in Health Education (preK-12).
- Students eligible for transfer to York College under this agreement must have met at least the minimum requirements for admission to BMCC, including a U.S. high school diploma or its equivalent.
- During the period of this agreement, both institutions agree:
  - A) To monitor the academic performance of BMCC students who wish to matriculate at York College under this agreement, identify problems, and work cooperatively to ensure smooth transfer with minimal academic disruption.
  - B) To notify each other concerning any contemplated curricular changes, which would affect the future of this agreement.

\*Effective 10/1/08, per University policy

To be retained in the B.S. Health Education (preK-12) Degree Program at York College, a student is required to:

- Maintain a 2.75 or higher overall GPA
- Earn a grade of C or higher in each prerequisite or major course. If one received a grade of C- in a prerequisite or major course, the student may repeat it only once to earn a higher grade.

**About the Major:**

Total transfer credits granted toward the baccalaureate degree: 60

Total additional credits required at the senior college to complete baccalaureate degree: 60

**Additional information available (e.g. transfer scholarships):**

None established at this time.

**C. ARTICULATION AGREEMENT FOLLOW-UP PROCEDURES**

**1. Procedures for reviewing, up-dating, modifying or terminating agreement:**

When either degree program is involved with curricular revisions, the agreement will be reviewed and revised accordingly by faculty from each institution's respective departments, selected by their Chairpersons.

**2. Procedures for evaluating agreement, i.e., tracking the number of students who transfer under the articulation agreement and their success:**

Each semester York College will provide the Borough of Manhattan Community College the following information: a) the number of BMCC students who applied to the program; b) the number of BMCC students who were accepted into the program; c) the number of BMCC students who enrolled; and d) the cumulative GPA of these enrolled students.

**3. Sending and receiving college procedures for publicizing agreement, e.g., college catalogs, transfer advisers, websites, etc.:**

This articulation agreement will be publicized on both the Borough of Manhattan Community College and York College websites. Transfer advisers at BMCC will promote this agreement with eligible students. A faculty representative from York College's B.S. in Health Education (preK-12) program will arrange annual information sessions at the BMCC's campus for interested students.

**D. ADVISOR RECOMMENDATIONS**

Borough of Manhattan Community College students who plan to transfer into the Bachelor of Science degree in Health Education (preK-12) program at York College are advised to strictly follow the Program Requirements and Program Electives listed in this proposal in order to satisfy the requirements for the Associate of Science degree in School Health Education at BMCC and to ensure that the maximum number of credits and required coursework are transferred to satisfy the Health Education (preK-12) program requirements at York College. Refer to both the College websites for a list of the Pathways Core general education requirements for both the A.S. and B.S. School Health Education programs.

**Note:** Please see "Attachment I" which outlines all the coursework required for completion of an A.S. degree in School Health Education at BMCC and a B.S. in Health Education (preK-12) program at York College.
