7. Department of Foreign Languages, ESL and Humanities - Name Change Resolution

Name Change Resolution

RESOLVED, that the Department of Foreign Languages, ESL and Humanities at York College be renamed the Department of World Languages, Literatures, and Humanities, effective August 25, 2016.

EXPLANATION: Whereas the new name better reflects its current course offerings and department mission, and whereas comparable departments both nationwide and within CUNY, as well as the CUNY Council on World Language Study, have names that emphasize their global scope and comprehensive mission, the Department feels that a name change is appropriate. This is a change in the name of the department only and does not affect the tenure or seniority status of the faculty in the department.
