

About us

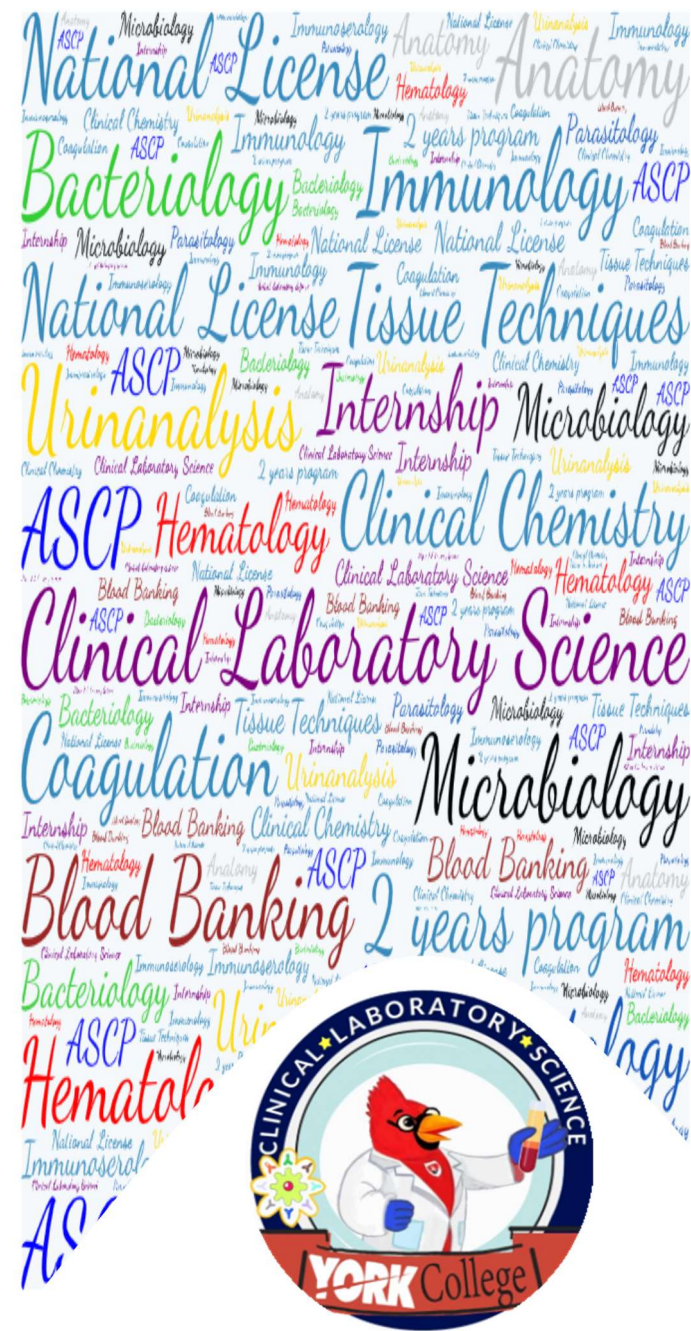

We serve as a community for all by connecting with working professionals, touring labs, building resumes, and exploring the latest techniques. Our members gain valuable insights into the field. As we advance together through workshops, healthcare research, exam preparation, conferences and more. We form bonds that inspire excellence.

Welcome to Clinical Laboratory Science Club!

We are thrilled to have you join our community of dedicated students passionate about advancing in the field of clinical laboratory sciences. Whether you're eager to explore diagnostic procedures, delve into medical research, or simply connect with like-minded individuals, our club offers a supportive environment where you can learn, grow, and contribute to healthcare excellence. Together, let's embark on a journey of discovery and professional development in clinical laboratory sciences.

Welcome aboard!

94-20 Guy R Brewer Blvd,
Jamaica, NY 11451

Clinical Laboratory Science Club

Our Vision

Our vision is to foster a vibrant learning community where members can explore the complexity of laboratory science. We strive to promote excellence in laboratory practices and equip our members with the necessary skills and knowledge to excel in the healthcare industry. By nurturing curiosity and innovation, we aim to contribute to advancements in medical diagnostics and patient care.

Stay Connected and Explore the World of CLS with Us!

The Furture of CLS Club

Looking ahead, the CLS club envisions expanding its impact within our York campus and beyond. We plan to enhance our curriculum with workshops, seminars, and guest lectures from industry experts. Our goal is to establish partnerships with other clubs and local healthcare facilities like FDA to offer experience and opportunities for our members. By staying at the forefront of technological advancements and scientific discoveries, we aspire to be a leading hub for aspiring clinical laboratory professionals.

Our Outreach

We organize health fairs, blood drives, and educational workshops to raise awareness about the importance of laboratory medicine. Through these activities, we aim to educate the public and inspire the next gen healthcare professionals.

Join us in making difference in healthcare and shaping the future of clinclal lab sciences.
